

SEPTIEMBRE

Lectura

In literacy, we have been reading books about first days of school, classroom rules, emotions, and colors. Also, we've been working on naming the cover (*portada*), back (*contra portada*), title (*titulo*), Author (*autor*), and illustrator (*ilustrador*) of a book.

Socio-Emocional

We have introduced the mood meter (*medidor de humor*) where students check-in their feeling. We've been talking about listening when someone is talking and following instructions the first time every time. We also started our bullying prevention unit.

Escritura

We are creating a classmates book where they trace: *Yo veo a (amigo)*. We have started talking about a mayuscula (capital) at the beginning of a sentence and a punto final (period) at the end.

Encourage your student to use a capital for the first letter in their name and lowercase letters for the rest of their name.

Noticias y Paseos

Friday, October 12th: No School

Monday, October 22nd: Picture Retake

Monday, October 29th: Toymaker (in the classroom)

Matemáticas

We are working on same, different, similar and sorting by shape, size, color in math and number formation.!

Technology:

Review this videos for the month of September
